## SENIOR BREAKFAST

Senior Breakfast, held in the wee hours of the morn (about 7:30) on Saturday, October 6, 2000 was an enjoyable time for all. Pancakes, sausage, bagels, donuts, and juice were served by freshmen and the

wonderful teachers who helped plan the event. Mr. Horack, Mrs. Osborne, Mr. Sweeney, Mr. Carta, and Mr. Healy got up early along with the Senior class and successfully made this breakfast a very memorable one.

The Shirt, one sure to be worn for years to come, was designed by Senior Artist, Garry Wallace.

# Dedication

## Mr. Ernest St. Jean

Beginning his career as an English teacher at Canton High, Mr. St. Jean has made a name for himself in more recent years as the TV production guru. In addition to teaching, 'Saint,' as he is lovingly referred to by his many students, spent many seasons coaching cross-country, indoor and outdoor track, and hockey teams.

'Saint' will retire this year after dedicating 34 years to the teaching profession. We thank you for the contributions you have made to our lives and to our memories of Canton High School. Enjoy your retirement.

We, the class of 2001, dedicate our yearbook to you, Mr. St Jean, our teacher, coach and friend.

# SPORTS RALLY

WHO LET THE DOGS OUT!

# Sports

Tw'as the day 'fore Thanksgiving,  
And all through CHS,  
Senior girls were all pumped,  
"Bulldogs" on their chests.

Right after the rally  
They charged, two by two  
Their hair all done up in a fashionable do.

Decked out in ribbons and glitter galor,  
They had never looked better, no, never before.  
A hard fought game they knew was in store  
But in character and strength they were not poor.

Lisa and Jess, QB's of the day,  
Led the team to scare those girl Knights away.  
But, alas, this game our heroines did not win  
And abruptly the world began to spin.

When the score "12-8" shone up on the mount  
All of Canton cried with a great loud:

**"RECOUNT!!!"**

# Powderpuff

The very rough, hard-fought game played on Wednesday, November 22, 2000 was won by the Stoughton Lady Knights in score, but not in spirit, teamwork, and...well... rules. Canton's Lady Bulldogs played a clean, well thought out game coached by Powderpuff veterans Mr. John Morak and Mr. Bill Sweeney. We extend our thanks to the Canton fans who supported us from the stands despite the winter weather and very low wind chill. Last, but not least, we thank our cheerleaders, Brian Doherty, Derek Li, Mike Marwin, Dan Berger, Dan Berteletti, and Mike Waters. And, we, of course, beg to ask the question: "WHO LET THE DOGS OUT?"

Row 1: Sarah Wetherbee, Kristen Boreham, Danielle Haigh, Janelle Hardiman, Mary Bustin, Lindsay Carlson, Melissa Bunt. Row 2: Katie Ryan, Coach Rich Bourgelas, Lauren McDonald, Chrissy Haigh, Christina Cogliano, Julie Gordon. Captain Jessica Duggan, Captain Courtney Caulfield, Captain Lisa Pietro, Jen Seich, Courtney Gately, Chelsea Hoffman.

The Boy's Varsity Soccer Team finished the season with a 6-6-7 record. Their regular season efforts earned them a fourth straight trip to the State Tournament where they downed Old Rochester High School before falling to state champions Duxbury in a hard fought 1-0 defeat.

Behind the defensive backbone of Hockomock League All-Stars, Junior goal-keeper Danny Boreham and Senior sweeper, Co-captain Andrew Pellegrini, the Bulldogs earned seven shutouts and allowed less than four goals per game on average. Also crucial was Senior Co-captain Dan Bertelletti.

Seniors Cristos Anastasiadis and John Mathieson, Junior Johnny Ambroise, and Sophomore Matt Aucoin led the team in goal scoring.

The Girls Varsity Soccer team had a very successful season. Having a 12-9-1 record showed that their hard work and determination payed off. The girls reached their goal of qualifying for the state tournament for the first time in ten years. In the first round of the tournament they beat Foxboro 1-0 in overtime. Tri-captains Courtney Caulfield, Jessica Duggan and Lisa Pietro led the team to an unforgettable season. The Bulldogs never quit.

Field hockey was the sport of the season this year, showing that they would not be beaten in their impressive 14-0-5 season. The undefeated streak did not end until the heartbreaking but well played loss to Martha's Vinyard during the South Sectional Division 2 semi-finals.

Rising to the top of the Hockomock League, to place #1, the team finished the season with a win over every other team in the league. Perhaps the proudest game for the lady dogs was their 3-0 shutout victory over rival Mansfield. Kristen Conroy, who earned the title of League MVP and a spot on the Mass All-Star team, scored all three goals, ending the game with an explosive penalty stroke to complete her hat trick.

Tri-captains Kristen Conroy, Caitlyn Donnelly, and Katie Powell lead the team to an impressive standing. The leaders of the team were undoubtedly the tight knit group of seniors. Sykes, Fischer, and Walsh lead the defense to a total of only 11 goals against. Kunciatitis and Thornton dominated midfield play, and Conroy lead the team in scoring with an 18 goal season. Donnelly gave her full support from the sideline due to a fractured foot 5 games into the season. She was able to rejoin her teammates for the last game of the season and tournament play. Powell unfortunately had to join Donnelly midway through the season due to a fracture in her leg.

All underclassmen proved their value to the team as they stepped up and played their hearts out. Juniors Lauren McNeil and Kelly Robinson and sophomore Elise Bognanno also earned the title of league All-Star. Although the team will lose a talented group of seniors, the future looks bright for the Lady Dogs.

# Football

Although the record didn't show it, our Football season was a lot of fun. Our team tried very hard in every game and never gave up. We had a player make Hockomock league All-Star and we also beat Division I North Quincy. Even though it was not the best scoring season, the coaches have faith in the team of the season 2001.

The Varsity Pooldogs had a great season facing one of the toughest leagues ever. Led by tri-captains Colleen Cassidy, Marissa Sweeney, and Ashley Connors, the swim team finished with a 4-8 record. Divers Sara Matanes and Marissa Sweeney qualified for sectionals. Junior Carly Kinch finished 7th in the 500 free style at league championships, while Sweeney and Matanes took 1st and 2nd, respectively, in the diving.

The Girls' Varsity Cross-Country team had a building season in the year 2000. Under new coach, Tim Giblin, the team did not have any wins but made much progress in the competitive Hockomock league. Senior Co-captains, Nicole Pappas and Maureen Cassidy led the team, half made up of Freshman. They are looking forward to a successful season in 2001.

The Boys' Varsity Cross-Country team posted its first win in over four years with a home victory against Foxboro. Running well for the team were Sophomore Aaron Okun and Juniors Cori Farrell and Neil Gupta. Senior Co-captains Jeff Homer and Chris Schleicher, along with senior Bob Femino, were strong runners throughout the season. The 2000 season appears to be a turnaround for the program, as Farrell and Gupta (captain elects) will lead a host of promising Sophomores next season.

The 2000 Golf team started off the season at a disappointing 3-3-1. The second half of the season, however, included 7 home matches, all of which the team won. They ended up winning the last 9 matches of the season and finished with a record of 12-3-1, which was good enough to win the Hockomock title.

The team missed the cut in the tournament by 6 strokes. They have 2 returning starters next year and a lot of other young, talented players. They are expected to make the tournament and possibly win another league title.

With a successful third season underway, the Lady Ice Dogs are looking forward to competing in the Division 2 Girls' Hockey Tournament. Led by Senior captains Courtney Caulfield and Caitlyn Donnelly, the Bulldogs boast victories over Martha's Vineyard, Westwood, and Mount St. Charles. Goaltenders Janelle Hardiman and Sarah Sanderson have shutouts against Latin Academy, Cambridge H.S., and St. Bernards.

The young Bulldogs squad looks forward to a bright future. Next year's team will have returning top skaters Sarah Wetherbee and Kendra Jacobs as power forwards, and Kelly Robinson and Janelle Hardiman leading the solid defense.

The 2001 Boys' Vars Hockey Team qualified for the state tournament with a 6-0 win over Kent Philip. The young and inexperienced team started off the season with several tough non-league games. As of February 9, the team is 10-5 overall, 8-2 in the league, and are the Hockomock league champs.

Returning MVP and leading goal scorer in the league, captain Chris Donnelly, is once again leading the league in scoring. Senior captain Andrew Pellegrini and Junior Mike Christian aren't far behind. Goal captain Jeff Homer is the backbone of the team and playing very solid. The team hopes to go undefeated in the league and make it deep into the tournament.

The 2001 Bulldog Wrestling team will be remembered as one of the best teams ever to compete at CHS. A team led by Captains Mike Fitzgerald (7 career tournament championships), S. Rockwell, Dan Berger, Emily Pike, James Carmichael, the young team (freshmen and sophomores) came on in the season to win 8 of their last meets. Key contributions by seniors James Lowell, Chris Luke, Mich Bisnaw, Matt Christian, and Salong were in evidence.

Placing 4th at both the Peck Classic and the Hock's was a tremendous improvement on previous seasons. The team looks forward to the Sectionals, States and several possible State Champions and place winners. Skye Woodruff, Mike Brown and Josh McKelligan had exceptional seasons.

The leadership and hard work of this year's Seniors will be missed but not forgotten. Their dedication was instrumental in making wrestling a strong viable sport at CHS.

The Boy's Varsity Indoor Track team had a successful season. The first amazing accomplishment was doubling the team from last year. Despite losing the incredible co-captain Bryan "Fubu" Weber, the team kept on trucking in gaining Mike "the Cramp" Karwin, Jeremy "the Shovel" Comeau, and Aleksey "Grozniy" Zhadeyev.

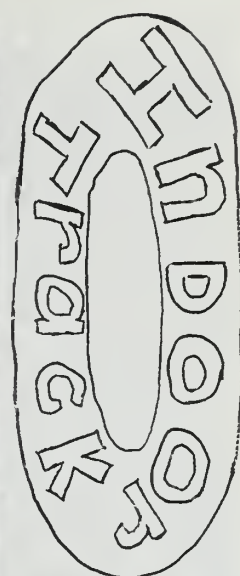

After "Fubu" departed for unknown personal reasons Mike "the Eyebrow" Garon took over, earning the vacant captain spot. The team also gained seven Freshmen: Brenden "Heavy Hands" Rogers, Dave "Munchies" Rohr, Jimmy "High Knees Kimmel" Kinch, Josh "They call me Josh" Clark, Peter "the Bench" Harrison, Val "EHHHH" Ilchenko, Joel "the Bucket" Chamberlain, and, finally, Bobby "Ex-Con" McGettigan. Our sole Sophomore is Brian "Dr. Jelly" Crosby. Rounding out the team in leadership are Terry "P-Town" Reddington, Chris "I need to take off to go watch Gymnastics" Schleicher, and Senior co-captain Wild Bill "Oiler" Callaghan. New Coach Chris "the Freshman" Elgar helped bring guidance and knowledge to the young Bulldogs. In conclusion, "we laughed, we cried, and Terry was flamboyant".

The Girl's Varsity Indoor tracksters, led by 2nd year coach Tim Giblin and co-captains Kate McKenzie and Rachel Miller had a great season this year, with more numbers and talent than in seasons past. Six members of the team qualified for the Class D meet in 7 events, including Senior captain McKenzie (shotput); the 4x400 relay team, comprised of Sophomores Ryan, Smith, Caggiano, and Rushworth; Ryan in the 1 and 2 miles; Caggiano in the 600; Rushworth in the 300; and Freshman Doherty in the 50.

Other notables of the season include: Seniors Connors, (throwing) a strong team spirit, Miller (our sidelined but "intense" co-captain and thrower), and Dileso, who made up a third of the hurdling crew (which also included Freshmen wonders Wong and Gibbs), filled up the roles of Upperclasswomen. Our strong shotput team included Junior Mooney, Sophomores Kandler, Osborne, Moritz, and Freshmen Lanza, Karwin, and Portillo. Besides the afore-mentioned, sprinters included Seto (50, 300), Portillo (50), Gibbs (50, 300), and Lambropoulos (50, 300). Distance rounded out with Hanlon (1 mile), Wilson (1), Karwin (2), and Zhadeyev (1000). The two high jumpers were Ryan and Rushworth. It was a wonderful season overall with many new underclassmen and returning members turning in personal bests.

The team was led by Senior tri-captains Marissa Sweeney, Jenn Muller, and Sara Matanes, along with Seniors Jonelle Walsh, Crissy Vig, Rachel Meisterman, Jess Meisterman, and Erica Bornstein. Despite the loss of eight Seniors, the future of the team looks promising in the hands of the underclassmen, including Junior Dyann Zenga and Freshmen Katie Daly and Kim Chin.

The Boys' Varsity hoop season, under coach John Piemontese, had its share of ups and downs. After a difficult start, the squad had an impressive season turnaround winning three consecutive games, including a 20-point victory over first-place King Philip. Led by Senior co-captains Dan Berteletti and Derek Li, the 2000-2001 squad deserves credit for never giving up and always working hard, which is a reflection of coach and the program as a whole. Other graduate members of the team include Garry Wallace, Joe Breare, Jason Kublin, Evan Novick, Kevin Luke and Jon Gray. Next year's team will replace these openings with returning varsity players and several talented Junior varsity and Freshmen players.

Other highlights of the season were close games against top ranked teams, Boughton and Oliver Ames. Also to continue the tradition, the girls won the annual Holiday Tournament held in Canton. The team will lose co-captains Julie Gordon and Colleen Cassidy and other seniors Lisa Pietro and Manager Amanda Fischer. The team had a great season. It was a lot of fun, good luck to the team in the future.

In the 2001 season, Girl's Varsity Spring Track and Field hope to take it up another notch. The season will be led by 2nd-year coach, Tim Giblin and tri-captains Kate McKenzie, Jonelle Walsh, and Niki DiLeso, and backed by the strong, talented team of the 2000 season and new recruits. Last year, the team sent 7 girls to the class meet including Lynne Ortega in javelin, Kim Johnson in high jump, Kate McKenzie in shotput, Katie Ryan in the mile, Lauren Caggiano in the 800, and the 4x4 team including Sarah Rushworth, Sarah Smith, Lauren Caggiano, and Katie Ryan. The sky is the limit for this team, and they can only improve as their young talent develops.

people qualified for states including Tri-captains Chris Klucznik, Jeff Homer, and Bobby Femino. Dan Berteletti and Mike Garon also qualified. The upcoming season looks promising as Captains Homer, Femino, and Berteletti lead an experienced team consisting of ten returning Seniors, as well as a talented group of underclassmen.

It is not the critic who counts;  
not the man who points out how the strong man stumbled

The credit belongs to the man  
who is actually in the arena,  
whose face is marred by dust and sweat and blood;  
who strives valiantly;  
who errs and comes short again and again;  
who knows great enthusiasms,

Fans, rest easy - the mathletes are once again New England champions. The 1999-2000 version of the Math Team secured its twentieth New England Championship title in the last twenty-one years; they also added a second-place finish in the State Championship, along with much success in regular season action. In one of the more miraculous comebacks in recent memory, the competitors from Canton erased a 22-point deficit to arch-rival Lexington in just a single meet, gaining a Massachusetts Mathematics League title in dramatic fashion. Although the primary goal of the group is collective success, many students were honored individually for their achievements.

Three days in the six day cycle, members of the Math Team meet in Mr. Badoian's room, where they are instructed in many aspects of mathematics. The schedule is very demanding, as each student must complete past competitions in preparation for approaching meets. The success that the team enjoys is a tribute to the effort put forth by each member and advisor (Mr. Badoian and Mr. Sweeney).

Mathletes don't just operate in the classroom - for each home football game they run a concession stand at Memorial Field. The money generated from the stand is then used for scholarships and victory dinners. Another fundraising project in which the Math Team takes part is selling entertainment coupon books.

At every entrance to Canton, there are signs boasting of the town's wonderful math team. They are a testament to the effort put forth by the advisors. Mr. Badoian's work ethic is unmatched, and Mr. Sweeney's sense of humor is always refreshing. So, as the ten seniors graduate, we extend this to the underclassmen: take pride in your past, enjoy the present, and, in the future, strive to keep the "beat" alive.

The Spectrum has always served as a forum for Canton High students to express their ideas, opinions, and concerns. This year's exceptionally talented editorial and writing staff, however, has succeeded in raising even those lofty standards. In addition to covering school news, the staff of the paper has worked to address nationwide events and concerns, research previously unexplored topics, speak out through a variety of intelligent, controversial editorials, and make the voice of the student body heard to the community.

Thanks are due to our advisor, Mr. Patrick Connor, and to the strong staff of writers, editors, and photographers who have dedicated so many hours to the production of the newspaper. Without this core group of imaginative and committed people, the Spectrum could never have developed into the high-quality publication it has become.

Well, another year has gone by and Echo2001 did their best to record as much of it as possible. I, Niki, would like to thank my Editors and Staff, many of whom spent countless hours in B112 cropping and typing and drawing and adobe-ing. To all of you who came out to help with those horrendous deadlines, thankyouthankyouthankyou.

I can't wait for the group of Juniors, whom I hope will sign up for Editorships, of the class of 2002. And, since we hear it on the announcements every morning for nearly every club in school, don't forget Underclassmen and future Seniors: new members are always welcome!

Last, but NOT least, Mrs. Healy, the best advisor in the world, Echo2001 thanks you with all our hearts for your time...and patience.

Thanks everyone!

### ALI SMITH

Our babe in arms  
You used to be.  
As you learned,  
So did we.  
You're special forever,  
It's clear to see.  
Love,  
Mom & Dad

Keep your ideals high enough to inspire you, and low enough  
to encourage you.

Hope is the anchor of the soul, the stimulus to action, and the  
incentive to achievement.

Do it now! Today will be yesterday tomorrow.

Happiness is a healthy mental attitude, a grateful spirit, a  
clear conscience, and a heart full of love.

The world is round so that friendship may encircle it.

The true measure of a man is the height of his ideals, the  
breadth of his sympathy, the depth of his convictions, and the  
length of his patience.

A lasting gift to a child is the gift of a parent's listening ear--  
and heart.

We rate ability in men by what they finish, not by what they  
attempt.

It is when we forget ourselves that we do things that are most  
likely to be remembered.

## As you retire...

**Mr. Martin Badoian**

After 41 years of teaching, sadly, Mr. Badoian will be hanging up his legacy as both teacher and leader of the math team. Always a math teacher, he also coached basketball, tennis, golf, and the math team in his long and illustrious career. He will be missed greatly by the students who enjoyed his enthusiasm and drive, which made him a living-legend, over the years.

**Mr. Arthur Bedard**

A science teacher, Mr. Bedard has helped to foster the love of science in Canton High students for over 3 decades. As a teacher and more recently the science department head, Mr. Bedard has taught many children in his 36 year career and is famous for the field trips to the beach and earlier in his career, Bermuda for his marine biology students.

**Mrs. Marjorie Bedard**

After 28 years of teaching science, Mrs. Bedard is leaving Canton High School. Not only a biology teacher in her career, Mrs. Bedard has also been involved in many other aspects of student life, such as being the cheerleading coach at one time and also being the greenhouse manager.

**Ms. Linda Farley**

Known to every student to grace Canton high school over the past three and a half decades, Miss Farley will be hanging up her clipboard after this year. A physical education teacher at CHS for 35 years, she has also been the force behind the annual volleyball tournament and also the track program, all three seasons, in her many years teaching.

**Mr. Al Nordgren**

In 1973 Mr. Nordgren came to Canton High as a physics teacher, and in 1988 was appointed to the distinguished post of vice-principal, a position he has held for over a decade. We shall miss him greatly and wish him much luck in the future.

**Mr. Charles Peix**

In his 30 years at Canton High Mr. Peix has guided many students through the rigors of math. Not only a great math teacher, he has also coached the girls basketball team, the boys tennis team, has been an advisor to the National Honor Society and The Mercury, the predecessor of The Spectrum. He will be greatly missed for his role as teacher, coach, guide and advisor.

**Mr. Robert Ringuette**

Director of guidance in his last years here at CHS, Mr. Ringuette has done many other things in his 32 years at Canton High, including teaching Industrial Arts, being a soccer coach, advisor to the GSA and a guidance counselor. "Ringo", as he's called, has been helping high school students for numerous years. We shall miss his presence as he embarks on his future as he has helped many of his students to do.

**Mr. John Urbsas**

As a Industrial Arts teacher for 13 years at CHS and even longer at the middle school level, Mr. Urbsas has guided many boys and girls in the art of woodworking and engineering technology. He will be missed by the many students he has taught over the years and we wish him all the best in the future.

we wish you well.
